We have listened to your views from the parent questionnaire and on the website you will find a lot of useful information to help you to support your child to learn.

In the learning section, under subjects, we provide a breakdown of what your child will learn in each subject and in each year group. At the bottom of our curriculum page there is a handy guide for parents showing the subject content for English, maths and science. We also have some great information on our reading page to help you understand how we teach reading and phonics. From February, we began using the Read, Write Inc programme to teach phonics from Nursery to Year 2. In the 'Reading' page there is a link to the Ruth Miskin Website which contains some short films explaining how we teach children to read using this programme and giving you some handy tips for supporting at home.

The most exciting pages are in our 'Parents Area' which contains diary dates, news and class pages. The teachers have been busy uploading lots of information linked to their classes and there are some lovely photographs of the children and the many exciting and varied learning experiences that have taken place over the last few months. It has been a really big job to develop this website and I'd like to say a special thank you to the teachers and office staff who have worked on it since January. It can be accessed easily in mobile format so you will be able to quickly access information such as important dates and key events wherever you are. I really hope that you will find this website useful- as a school we're really excited to launch it.

Mrs Brown

ART'S WEEK 9th - 13th March

We are looking forward to arts week next week.

We have lots of exciting things to do including Y6 visiting an art gallery in Birmingham and Y1 are venturing out to the Ironworks in Oswestry.

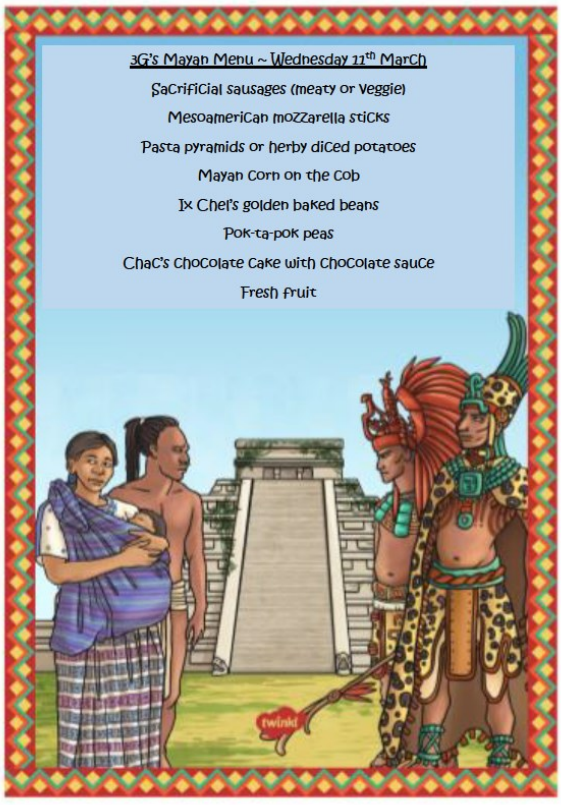

Keep an eye out on our new website for lots of class updates!

Don't forget to bring in your unwanted milk bottle tops next week!

Thank you to those who have already brought some in!

3G are up next with their Competition menu on Wednesday 11th March
