Understanding the World	Identify foods that are healthy and unhealthy.	Activity Ideas: 1. Can you identify foods that are healthy / unhealthy? Create your own sets of healthy and unhealthy foods from your cupboards. Talk about how you could have foods considered 'unhealthy' as treats or occasionally. It's important to have a balanced diet. 2. What sort of things do you need to eat or drink to have a healthy diet? What do you like to eat? What is your favourite fruit? Why do you like this? Is there anything else you can make using the fruits / salad / vegetables? Is there anything that you would like to try? Where do you think it comes	Healthy / unhealthy / fruit / vegetable / sugar
Expressive Art and design.	Design a fruit salad / fruit kebab.	This week we would like to think about your favourite fruits (and vegetables). Can you design and make (if you would like to), a fruit kebab / salad for Oliver. Maybe you can design you fruit salad to make a picture such as a face or use your knowledge of repeating patterns to create a delicious looking fruit kebab. I would love to see some of your designs! https://www.bbc.co.uk/iplayer/episode/b06ryqzc/footy-pups-series-1-19-healthy-eating The footy pups are learning about how to make a smoothie	Juicy / sweet / sour / pips / seeds / skin / fruit / salad / vegetable / healthy / soft / hard / peel / safe / hygiene / handwashing
Physical Development	Know ways to keep fit and healthy.	I know that most of you are enjoying taking part in daily Joe Wickes sessions, Cosmic Yoga or your very own obstacle courses. Maybe you could design your own work out using these exercises.
