Year 5 - Autumn 1

Science – Earth and Space

- Describe the movement of the Earth, and other planets, relative to the Sun in the solar system.
- Describe the movement of the Moon relative to the Earth.
- Describe the Sun, Earth and Moon as approximately spherical bodies.
- Use the idea of the Earth's rotation to explain day and night and the apparent movement of the sun across the sky.

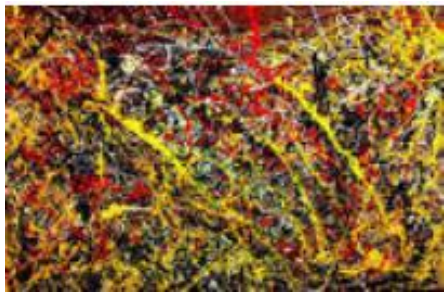

Character Education – Relationships

- How are we the same and different, relationships with adults and peers.

Art

- We will explore the work of the artists Jackson Pollock and Van Gogh.
- Create textured and mixed media artwork in the style of these artists.
-

RE

- God - What Does It Mean If God Is Holy and Loving?

Geography

- Understand geographical similarities and differences through the study of human and physical geography of England and a country in Africa.

Computing

- Safe use of digital technology

French

- Exploring the telling of time, asking questions, forming sentences and places within a town

Music

- Hip hop music focus.
