Empower Trust
Inspire to Achieve

Friday 4th December

Dear Parent/Carer,

As part of our learning in Design Technology this term, Year 5 are going to be hosting their very own **'Great St Peter's Cook Off'**. This will involve the children conducting their own market research by tasting and evaluating a range of different Christmas party items, from a variety of different stores. The children will then research, design and cook their own food items in competition with other members of their class. The competition will be judged by Mrs Brown and Mrs Tinsley, who will decide on the winning dishes for each class. The winning team, from each class, will then make their item to serve as part of their Christmas party on Friday 18th December.

In order to ensure that all children can engage fully with this learning, we require permission for the children to taste each of the food items. Additionally, we need to be made aware of any allergies or dietary requirements the children have in order to cater for everybody.

Please fill out and return the below slip to your child's class teacher by **Wednesday 9th December.**

Yours sincerely,
Miss Bear and Miss Vaughan

I give permission for my child _____ to taste a range of food items, as part of their learning in design technology.

My child has no specific food related allergies or dietary requirements ( )

My child has the following allergies/ dietary requirements: _____

_____
