

EQUALITY

PROMPTED TO ACTION - CHALLENGE

Take a close look at the picture again.

Are the people all treated the same in the second picture?

What is different? Does this mean that they are not treated equally?

By treating people equally it doesn't mean that we treat people the same as we all have different needs. What it does mean is making sure we all have equal opportunities to flourish and live life to the full.

You could even try out a Paralympic School Day.
A Paralympic School Day kit contains a set of activities and background information, which can be used to educate children and youth about Paralympic sport, individual differences and disability issues in a fun and playful environment.

Created by specialists in Paralympic sport, disability and pedagogy, the kit provides the skills, knowledge and resources to conduct a successful Paralympic School Day. It mainly consists of a Paralympic School Day manual and a series of activity cards. https://www.paralympic.org/the-ipc/paralympic-school-day

PRAYER

Encourage the pupils to respond with their own prayers first or through the pray space and if appropriate use the Lord's prayer.

Our Father, in heaven,
Holy is your name.
Your Kingdom come,
Your will be done on earth, as it is in heaven.
Give us this day our daily bread,
And forgive us our sins,
As we forgive those who sin against us,
And lead us not into temptation,
But deliver us from evil.
Amen.
