Any other comments

You said…	We did…
Parking around the school needs to be addressed.	We are in contact with the local policing team and our Safer Schools link at Shropshire Council on a regular basis and they are aware of concerns. Our last Safer Schools meeting was on 19.10.21 and we raised the issue again.
Children and families who started school during the pandemic would like to tour the school fully I'd like my child to go on trips and visits but realise this has been difficult because of covid	This is something we are hoping to offer as restrictions ease. We hope to be able to invite parents in more and do lots of trips and visits as restrictions allow.
Evidence Me app to be used on a regular basis	We will review the use of Evidence Me across our Early Years to make this more consistent between classes and year groups as it has been a great way to communicate
Parent Pay Arbor is time consuming and difficult to use, inaccessible to non IT users.	The changes to payment methods were made at Trust level and we appreciate your patience as the new systems develop. We will ensure that new parents have a guide to support them to set this up.

More check-ins on children to check on mental health and personal care needs I'd like more updated on my daughters wellbeing and performance	Our Learning Mentors are available most days. Please contact your child's class teacher if you feel your child would benefit from additional support with them. Please contact your child's teacher using the Year Group email if you have any concerns about your child and the teacher will respond
Communication is terrible. More text messages or email communication is needed.	Overall, came out as a real strength in the questionnaire. It is hard to strike the balance between too many/ too few emails etc but we appreciate the feedback and will look at consistency across year groups
Reception/ nursery building needs a lick of paint- looks tatty in some places	We are constantly trying to source funding for improvements to the Early Years Building. If you have any ideas then please get in touch
Initial communication as a new parent could be improved	We are hoping to return to our usual transition arrangements next year and we will look into producing transition booklets.
2 written comments gave a negative response to how school tackles bullying.	7 out of 161 responses to our questionnaire disagreed or strongly disagreed with statement 6. In these individual circumstances please contact Miss Kynaston (for EYFS/ KS1) and Mrs Brown (KS2) if you feel that your concerns have not been addressed and we will try to rectify this.
I'd be interested to know what my child is learning. Maybe I missed the term's overview	In the curriculum section of the school website you will find an overview of the children's learning. We will look at other ways of communicating this.
