-Recapped what we worked on and discussed during remote meetings. (Pants Campaign – NSPCC)

-Agreed we need to redo this in classes again and once whole school assemblies are back up – do a whole school assembly. Will need to train new members on what we did in classes last year.

-Increasing members now year 6 have moved onto secondary school. 2 year 4s to join and all agreed to include year 3 as well as due to attendance the amount of members may be too low.

-Next project we need to work on – Anti-Bullying week (15th Nov) Children to come to next meeting with ideas and possibly watched online campaign video clips.

-KS to meet with SK to look at School of Sanctuary. Children to be involved where possible.

Next meeting: Friday 5th November 11am

(KS to email teachers of current children and speak to year 3 and 4 over new members)
