Message from Mrs Brown

We continue with our busy half term and the children are working exceptionally hard but also having a lot of fun as we provide a range of exciting opportunities for learning across the school. There has been lots of creative work happening both in school and at after school clubs and some super painting, sewing and woodwork has been produced. We have also started our 'Bikeability' lessons which help children stay safe on the roads. I'm very excited that Year 5 can finally go on the residential trip to London next week. This has been planned for two years and been postponed on a number of occasions. We will be taking a tour of London, watching the musical 'Wicked', having tea at the Rainforest Café and visiting the Natural History Museum. It will be an early start for year 5's on Wednesday as we head off just before 7am for our exciting adventure but it will be very worth it.

Why not take a look at what we've been doing on our Facebook Page https://www.facebook.com/stpeters.shropshire if you're not already following us.

Our **spring craft parent sessions** begin on Friday 18th March from 9.30 to 11.30 in our Learning Centre. This is a great opportunity to meet other parents and to have a go at making some Easter crafts. All resources will be provided- you just need to bring yourselves and have some fun! Please let the office know if you are interested in joining- we'd love to see you.

Best wishes,
Mrs Brown

Hi! My name is Mia and I suffer with a condition called epilepsy. Epilepsy is a condition that affects your brain, sudden bursts of electrical activity cause the body to seizure. I have Primary Generalised Epilepsy which causes me to have seizures in the day and when I sleep.

The 26th March is Epilepsy Awareness Day, so I would like all children in school on **Friday 25th March** to wear something purple and donate £1, as purple symbolises epilepsy.

All money raised will go to Epilepsy Action which is a charity.

AFC are governed by Government, local authority guidance.

The guidance below is subject to change in line with government guidelines.

The health and welfare of the children and young people and AFC staff are our highest priority and there will be procedures in place for us to limit the risks as much as possible which are as follows:. Parents/carers will be requested to notify Shropshire Community Short Breaks as soon as possible if they, or their child/ren, or anyone in their household develops Covid-19 symptoms or are tested positive and must not attend any sessions. All AFC staff/agency workers will always have to wear a facial mask to support C&YP inside buildings. If there is any risk of spreading the virus via oral secretions or first aid is needed to be applied, then staff will have to wear a full facial plastic visor in addition to the facial mask, gloves and apron.

Personal care will be undertaken but staff will be required to wear full PPE. Any young person who requires hoisting for personal care will be taken to a changing place to support where available. (If your child / young person requires specialist nursing care please contact us directly).

Children and young people will be allocated a worker(s) who will remain with them during the whole session.

Social distancing measures will be put into place where necessary.

Physical intervention is always a last resort but if your child/ren is known to require physical intervention then a full risk assessment will need to be completed on how we can support your child.

Sessions will take place in venues and out in the community.

Any child who displays Covid-19 related signs and symptoms (see governments health https://www.gov.uk/government/collections/coronavirus-covid-19-list-of-guidance) during their session will need to be collected immediately and not able to return.
