Message from Mrs Brown

School Uniform and Dressing for PE from September

Over the last few years of disruption we have relaxed our school uniform rules a little and encouraged children to come to school in their PE kits on PE days.

Now that we have returned to some normality we have decided to return to changing within school time for PE.

In addition, we have noticed many different variations of non-uniform items being worn- including sports tops, hoodies and trainers as part of the uniform. This is not appropriate.

We'd like to give you advanced notice that, from September, we will expect all children to follow school expectations for uniform (as set out below) and to bring PE clothes into school to be changed into rather than worn on the day of PE lessons.

There is no requirement to purchase school items with logos- (although that would be preferred if possible) but it is important that the recommended uniform is worn with a sense of pride by all children.

The uniform is designed to be low cost, practical and attractive. Uniform is available to purchase from School Shop Direct – you can pop into their shop in Harlescott or alternatively place your order online and have everything delivered free to school for you to collect. Please label all clothes.

Hair & Make-up

If your child has hair that is shoulder length or longer, for safety reasons we recommend that it is tied up.

No ornate colourful hair accessories to be used.

Extreme hair-cuts and use of brightly coloured hair dye are also not permitted.

Decorative items such as nail varnish and make-up should not be worn.

Jewellery

The wearing of jewellery by pupils at our school is strongly discouraged on Health and safety grounds and is a deterrent to potential theft, damage and loss. Items of jewellery are worn at the owner's risk and the school will not be held responsible for the actions of third parties.

For Health and safety reasons only **small stud earrings** should be worn as there is a greater risk of injury with larger and dangly earrings.

If a pupil wishes to wear a wristband of any sort, only one to be worn at any one time.

During PE lessons all personal effects should be removed by pupil. Staff will give a verbal reminder to pupils. If they cannot be removed (i.e recently pierced ears with studs), staff have a duty of care to ensure that pupils are able to participate without unnecessarily endangering themselves or those working around them.

One final thing, please label everything as we regularly have a mountain of lost property with no names that can't be returned.

Thank you for your support,

Mrs Brown

Nursery

Last Friday, we were lucky enough to have a visit from the fire engine and two firefighters. We were allowed to sit in the fire engine and use the hose!

"I'm going to be a fire lady"

We have been learning about the artist Andy Goldsworthy and his work.

In Nursery, we love to have 'book sharing' and we are developing our love of books as well as engaging with our friends.

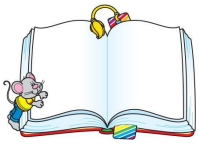

"Look it's a funny story"

"He uses natural things like stones and sticks"

Year 1

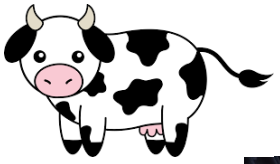

Year 1 had a wonderful day at the farm on Monday. We saw a cute baby duckling, fed the sheep, goats and cows and were told by Farmer Ben what foods we get from each of the animals. It was a lovely day!

I loved feeding the goats but they were very greedy.

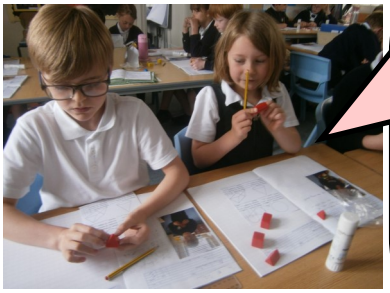

Year 3

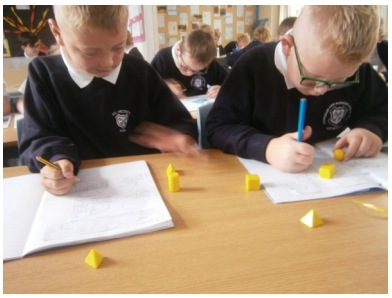

We have looked at how to count vertices, edges and faces on 3D shapes.

'It was fun, I liked playing with the shapes.

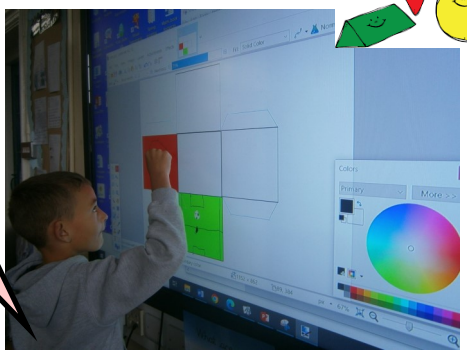

Year 3 enjoyed demonstrating their computer skills to design and make a desk tidy

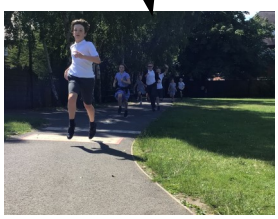

'I liked drawing on the computer I could colour the shapes quickly.'

Year 5

Year 5 have shown great resilience this week and were taken out for some track time in the sunshine

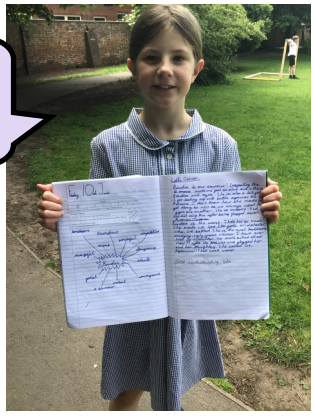

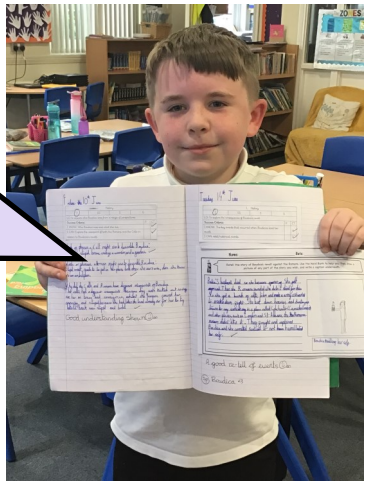

Year 5 have been learning about Boudica

I like Boudica because she is a rebel.

I think Boudica is very determined because she fought for the Celtic people that she loved.

Sports Day!

Sports Days for all year groups will be taking place week commencing 20th June, 9.10am start.

Spectators are welcome!

A big thank you to Mr Thomas who made these two wooden frames for the school so we can display our beautiful silk paintings that were created in Arts Week.
A local artist Sarah Evans worked with children to create these silk paintings that were inspired by our Japanese Theme during Arts Week.
They have brightened up our outside area!

Join us on Friday 15th July for a non uniform day.

Holidays in Term Time

Term time holidays have been increasing over the last number of years. Parents should make every effort to make sure that their child does not miss school due to holiday plans.

The law gives no entitlement to parents to take their child on holiday during the term time. Any application for leave must only be in exceptional circumstances and the Headteacher must be satisfied that the circumstances are exceptional and warrant the granting of leave.

Parents can be fined by the local authority for taking their child on holiday during term time without the consent of the school. It is important that parents understand that the initial fixed penalty notice of £60 is issued to each parent for each child. A two-parent family with two children would be fined £240.

Staying Safe in the Sun

A reminder to bring sunhats and sunscreen to school now that the weather is improving. Please can your child apply sunscreen before the start of the school day- this can be 'topped up' at break times and lunchtimes.

Thank you!
