## **Equality Scheme**

**2020 – 2023**

This Equalities Scheme encompasses the legal requirements and duties for schools relating to the following:

1. Equal Opportunities
2. Racial Equality
3. Gender Equality

The Equality Act 2010 was introduced to ensure protection from discrimination, harassment and victimisation on the grounds of specific characteristics (referred to as protected characteristics.) This means that schools cannot discriminate against pupils or treat them less favourable because of their sex (gender), race, disability, religion or belief, gender reassignment, sexual orientation or pregnancy or maternity.

The Act requires all organisations, including schools to comply with the Public Sector Equality Duty and two specific duties. The general duty requires us to have due regard to the need to:

- eliminate unlawful discrimination; harassment and victimisation • promote equality of opportunity;
- Foster good relations between people of different groups.

The specific duty requires us to:

- publish information to show their compliance with the Equality Duty, at least annually; and set and publish equality objectives, at least every four years

This policy reflects the general and specific duties on schools as detailed in the Equality Act 2010. This policy must be read in conjunction with other related school policies such as Behaviour, Equal Opportunities, Inclusion and Special Educational Needs.

### **Equal Opportunities Introduction – The Context of the School**

St Peter's CE Primary School & Nursery is situated in Wem, in the North of Shropshire. Wem is a small market town approximately 9 miles from Shrewsbury. Local Authority Health Profiles found on the Government Public Health website display the current issues in Shropshire. Empower Trust Academies use this data to inform the delivery intent for Personal, Social, Health and Emotions, to develop the life skills of our children in preparation for their transition into adulthood and to work with the local authority to offer support within the community. Areas of higher priority showing a negative trend in statistics over the last two years include:

1. Killed and seriously injured casualties on roads
2. Rate of diabetes diagnosed
3. Percentage of adults classified as overweight
4. Smoking status at the time of delivery in U18

Wem is the eighth largest town in Shropshire by population. The latest population of Wem is 6,100 (Mid Year Population Estimates, ONS, 2015) covering 366 hectares. Wem's population density was 16.0 people per hectare, making it the fourth most densely populated of all Shropshire Market Towns. Wem's population consists of 49% male and 51 % female. Wem Town Council population has increased since 1981 from 3,887 to 5,870. This is an increase of 51% in 30 years. Ethnicity in the area is mainly WBR with the next significant group being Polish (census data 2001/ next published 2023). Wem has relatively low levels of overall deprivation however, two areas fall into the 5th most deprived decile nationally and two areas fall into the 7th and 8th most deprived deciles nationally.

We are committed to promoting understanding of the principles and practices of equality and justice. Our school values the individuality of all of our children. We are committed to giving each pupil every opportunity to achieve the highest standards. Within this ethos of achievement, we do not tolerate bullying or harassment of any kind. This policy helps to ensure that this school promotes the individuality of all our children, irrespective of ethnicity, attainment, age, disability, gender or background. We aim to reflect the multi-ethnic nature of our society and ensure that the education we offer fosters positive attitudes to all people.

## **AIMS AND VALUES**

Our aim is to equip pupils with an awareness of our diverse society and to appreciate the value of difference. This will be achieved by adherence to the following principles:

- Discrimination on the basis of colour, religion, culture, origin, sex or ability is not acceptable
- Promoting racial equality, good race relations and challenging racial discrimination

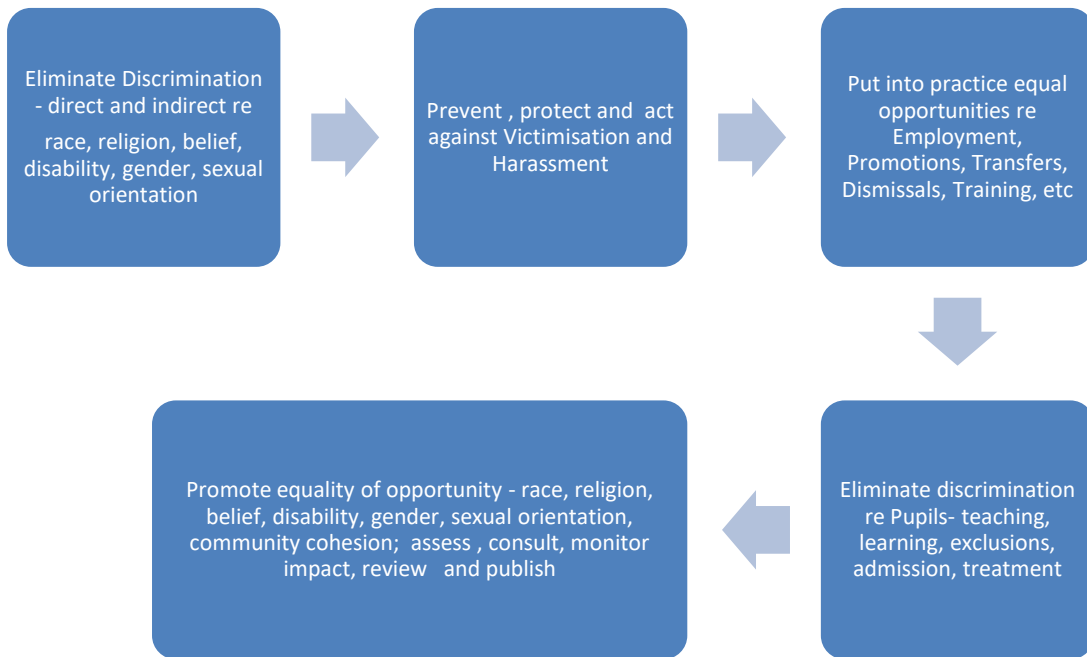

Ensuring that school is a place where everyone feels welcome and able to achieve their full potential

- The primary objective of this school will be to educate, develop and prepare all pupils for life whatever their sex, origin, class, religion culture or ability
- Pupils and teachers will further this objective by contributing towards a happy and caring environment and by showing respect for, and appreciation of, one another as individuals
- Every pupil should be helped to develop a sense of personal and cultural identity, in which they are confident and open-minded, and that is receptive and respectful towards other identities
- Every pupil should develop the knowledge, understanding and skills that they need in order to participate in Britain's multi-ethnic society and in the wider context of an interdependent world
- To achieve an environment in which the varied experiences of the community can enrich the life of the school.
- To protect the rights of all pupils, parents, staff and visitors to school
- To acknowledge the existence of racism and being proactive in tackling and eliminating racial discrimination

## **St Peter's CE Primary School EQUALITY OBJECTIVES**

- To close the gap between all pupils and Disadvantaged pupils in all subjects.
- To ensure that there is no gender gap in terms of achievement.
- To improve attainment in phonics for Disadvantaged pupils.
- To raise awareness of Social, Moral, Spiritual and Cultural (SMSC) Fundamental British Values (FBV) teaching across school for all stakeholders.

This Equality Plan accordingly brings all our School policies relating to Equality and Diversity issues together into one document and concentrates upon actions to maintain and reinforce the whole school commitment to the principles, practices and responsibilities of the legislation.

## Meeting our Duties

### *Statements of Inclusion*

#### *Multi-cultural*

It is our school policy:

- To incorporate a balanced view of the world through a multi-cultural approach
- To recognise that our pupils are world citizens who will meet a wide variety of cultures throughout their lives
- To evaluate our practice to ensure that it is not at the expense of indigenous cultures

#### **Gender**

It is our school policy:

- To seek to promote non-sexist attitudes in both children and staff
- To allow children equal access to opportunities which will equip them for adult life and to achieve challenging expectations
- To work towards the eradication of sexual stereotyping

When evaluating our practice we will use the following types of questions.

- 1) Are all children able to try out new roles in play and learning activities?
- 2) Are all classroom tasks shared equally between girls and boys?
- 3) Do all children get an equal chance to use equipment and resources?

- 4) Do all our displays and teaching aids present a non-sexist attitude?
- 5) Are our responses to bad behaviour the same to both girls and boys?
- 6) Are men and women from other cultures presented in a non stereotypical way?
- 7) Do all children have equal access to playground space and other play facilities?

## **Race**

It is our school policy:

Every child has an entitlement to a positive, helpful learning environment, with carefully planned work which matches individual needs, in order that they may reach their potential.

## **Class**

It is our policy:

- That children should not be treated in any way differently because of an assumed social class

### **Disability (Physical, Mental & Sensory)**

It is our school policy that:

- Provision should be made for the individual special needs of any disabled children within our school community
- A disabled child has a right to take part in all activities within the school environment in so far as their individual disability allows them to do so. Implementation

The school will implement the policy:

- by drawing together an action plan for inclusion in school. This will be included and reviewed in the School Development Plan;
- by opening up to the whole school a discussion about equality and how it needs to underpin all aspects of school life;
- by providing appropriate training for staff and Governors;
- by ensuring that the whole school community is aware of and understands the need to promote race equality, develop good race relations and challenge discrimination;
- by monitoring, reviewing and evaluating the effectiveness of this policy on a regular basis.

### **Transgender**

Transgendered people are explicitly covered by the gender equality duty. The term transgendered refers to a range of people who do not feel comfortable with their birth gender. St Peter's will respect the confidentiality of those seeking gender reassignment and will provide a supportive environment within its school community.

### **Community Cohesion**

We also have a responsibility to promote community cohesion, developing good relations across different cultures, ethnic, religious and non-religious and socioeconomic groups. We have incorporated our priorities into our Equality Plan to make it easier to monitor our progress and performance in meeting our objectives.

### **Age, Sexual orientation, Religion and Belief**

We must ensure that we do not discriminate on these grounds.

### **Tackling discrimination**

Harassment on account of race, gender, disability or sexual orientation is unacceptable and is not tolerated within St Peter's School. All staff are expected to deal with any discriminatory incidents that may occur, identifying and challenging prejudice and stereotyping, and supporting the full range of diverse needs according to a child's individual circumstances.

Racist and homophobic incidents and other incidents of harassment or bullying are dealt with by the member of staff present, escalating to the class teacher / team leader / Headteacher as necessary.

### What is a discriminatory incident?

Harassment on the grounds of race, gender, disability, sexual orientation or other factors such as socio-economic status, can take many forms including verbal or physical abuse, name calling, exclusion from groups and games, unwanted looks or comments, jokes and graffiti.

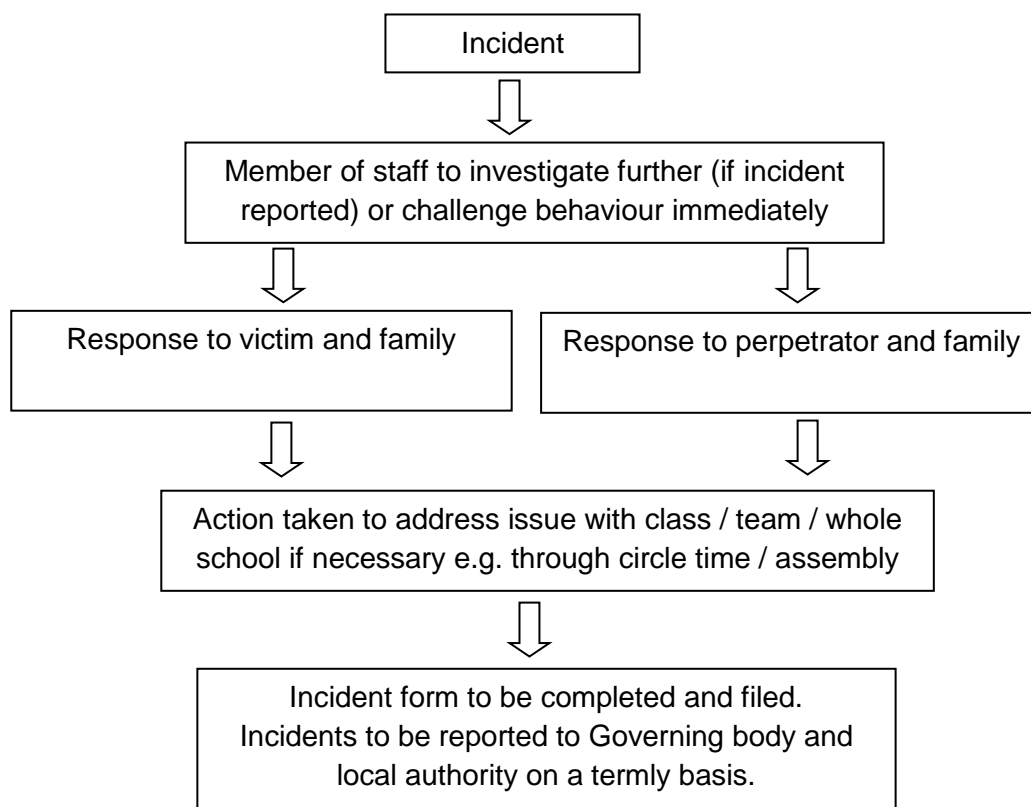

Types of discriminatory incidents that can occur are:
