ST PETER'S CE PRIMARY & NURSERY SCHOOL WEM

'Underpinned by our Christian values, we create a happy, caring environment. This empowers each and every unique person to dream, believe and achieve and flourish.'

'In the same way, you should be a light for other people. Live so that they will see the good things you do' Matthew 5:16 (ICB)

Thank you all for your support this half term. It has been wonderful to open our school again and have people join us for parent lunches and our Harvest Festival. There are plenty of opportunities for you to come in next half term too!

Can I please remind everyone about the importance of healthy snacks for breaktime and healthy lunchboxes. We appreciate this can be tricky but it is very important for children to have a balanced diet. We will look at ways of supporting this through our curriculum.

We also appreciate the squeeze the cost of living crisis is having on families. We have sent out information regarding the Wem Warm Spaces initiative and would also like to direct you to the Cost Of Living briefing we sent out on Arbor this morning.

We wish you all a restful week and we will see you back in school on Monday 31st October.

Miss Kynaston

Weds 30th Nov – Flu Vaccinations

Nursery

We have been exploring the autumn treasures that the children brought in. Thank you to parents for taking the children on a walk to find their little autumn treasures. The children loved their experiences!

"Who's that trip trapping over my bridge?"

Sharing our library service book collection.

"My book is about Goldilocks and the 3 bears".

Year 1

We have been learning about the different foods animals eat and if an animal is a carnivore, herbivore or omnivore.

"Carnivores eat meat."

"Lots of humans are omnivores because they eat meat and plants."

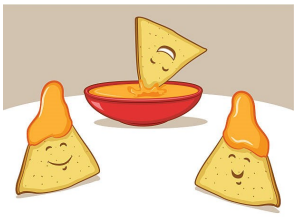

Year 3

In D&T, we will be creating our own dip, first we have to analysis existing dips.

In Geography, we have enjoyed using the Atlas.

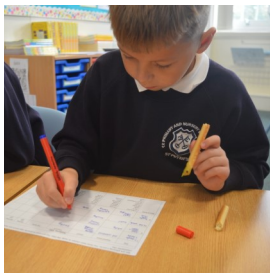

"I discovered that some flavours do not go with one another!"

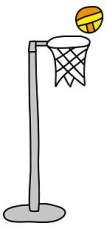

Year 5

This week year 5 have been putting all their netballs skills into action when participating in a match.

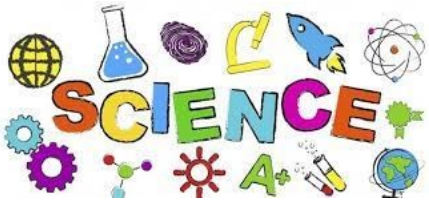

This week in science we have been exploring methods of separating a range of different materials.
We used evaporation, filtration, magnetic attraction and sieving to separate our different mixtures.

Reception Parent Lunch

Thursday 3RD November 2022

Your Year 2 child will have brought a letter home regarding joining them for a classroom activity and lunch on the above date.

Please return your reply slip by Monday 31st October

Shropshire Music Service

Teaching music, changing lives!

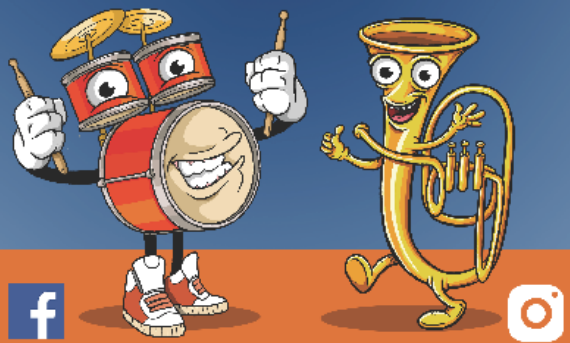

www.shropshiremusicservice.org.uk

Who We Are
A non-profit organisation employing more than 40 professional music teachers. We visit schools around the county to deliver a range of music education.

Core Values
Music education for all, regardless of background or financial circumstances.
Consistently excellent teaching.
Access to performance opportunities.
Group music-making in schools and the local community.

Peace of Mind
Teachers work within experienced teams.
Learning resources are developed to reflect changing needs.
Safeguarding of children is a priority.
Teachers benefit from regular training in key areas.
Enhanced DBS and Suitability to Work checks, monitoring & performance management.

Music Lessons
Individual and small groups lessons usually take place in school. We teach nearly all instruments and have a range of equipment for hire or loan. We also work with several local retailers to offer assisted purchase of instruments and advice when buying.
