Happy Friday!

We have had a busy week in school, with Basketball success, and our after school clubs starting back up.

As always, attendance is a focus and we thank you for your ongoing support with this. Can we please remind all parents and carers to call the office on each day of a child's absence unless it is a definitive period.

You have had information this week regarding an online safety workshop for parents and carers in Year 3-6. This is an invaluable opportunity to understand the ever-changing world our children live in and would support all of the work we do in school.

Thank you to Mrs Bache for organising this!

Thank you and have a lovely weekend, Miss Kynaston and all at St Peter's

Some pupils attended a basketball event held at Thomas Adams on Tuesday. They were up against some strong teams from Whixall, Prees and Newtown, but their teamwork and resilience held them in good stead and team A won, scoring an impressive 18 points winning every game they played.

As part of our Literacy learning, we pretended that we were on a London tour bus. We saw the sights of London, made tickets, built buses and some of the buildings as well as waving to the passengers on the other buses we met. It was great fun!

We had lots of fun outside - we used the hoops and balls, balanced across the bridges that we built and practised the letters in our names when water painting.

Year 1

This is a camera but we use a phone today

We have been finding out about what life was like when our parents, grand-parents and great-grandparents were children by exploring artefacts and looking at pictures.

In Computing, we have been practising our key-board skills by typing our names and editing Mrs Kitt's spellings

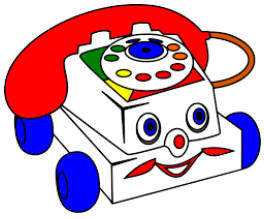

This doesn't look like teddies today.

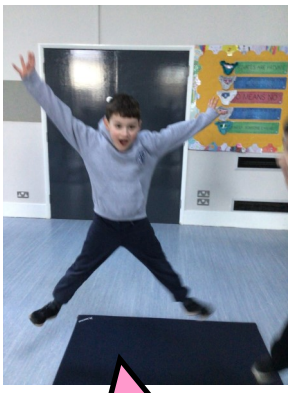

We are really enjoying our Monday morning mu-sic sessions with Mrs Hawke. We explored per-cussion instruments this week.

Year 3

Wow we have been busy in year 3!

In PE, we have started gymnastics learning how to jump, roll and balance safely

I can jump so high!

In History, we have answered our enquiry question, 'How did Britain change from the Stone Age to the Iron Age'. We have become reporters to present our findings.

We have been exploring light and reflections in science. We found out that reflected images are always the inverse of the original

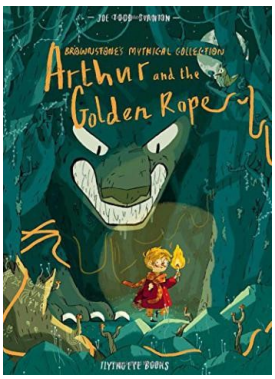

Year 5

We have role played part of our English text 'Athur and the Golden Rope' and infered characters thoughts, feelings and possible questions about the events in the text

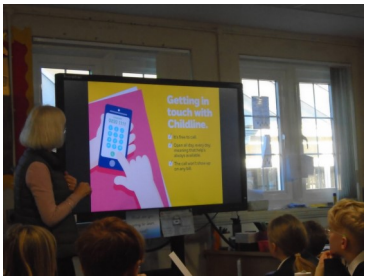

We learnt about who we can talk to such as trusted adults and child line

We looked at different situations that are ok and not ok

Year 5 had a visit from Sandra and Jo from the NSPCC this week.

All children in Reception, Year 1 and Year 2 of school receive free school meals, known as Universal Free School Meals. Some children can continue to get Free School Meals from Year 3 right up until they are 18 if they are in full time education and their parents / carers receive a qualifying benefit.
Please visit https://www.shropshire.gov.uk/free-school-meals/apply-for-free-school-meals to check to see if your child is eligible and how to apply.
