

History

How has home life changed to when your grandparents and great- grandparents were children?

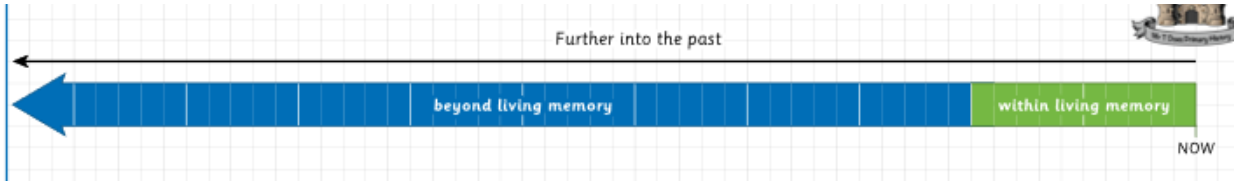

What should I already know?

- I know some things that have happened in the past in my own life and the life of my family.
- i know some things that happened in the life of my parents and grandparents before I was born.

What new knowledge and skills will I learn?

- To sequence events/objects in chronological order.
- To describe a position on a timeline.
- To use different sources to find out information.
- To know what my own homelife is like in terms of communication, technology and toys.
- To know what homelife was like in terms of communication, technology and toys for my parents, grandparents and great-grandparents.
- To know how things have remained the same since my parents, grandparents and great-grandparents were children .
