What a busy 4 day week we have had!

Lots of learning and lots of fun preparing for our Coronation Celebrations today.

We were very sad to have to cancel the parent and carer end to our day but thank you all for being so understanding.

We hope you all have another lovely long weekend, whatever your plans are.

Miss Kynaston and all at St Peter's

Nursery

For our cooking session this week we created flag toast using food colouring. Everyone was fabulous at drawing the union jack flag.

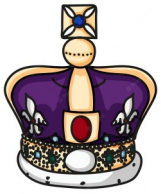

Imogen found Stickman on the way to school - this was very exciting!

We have been celebrating the King's coronation in Nursery this week. Taking part in a variety of activities such as designing and making our own crowns, making flags and bunting and building castles for the King and Queen.

Year 1

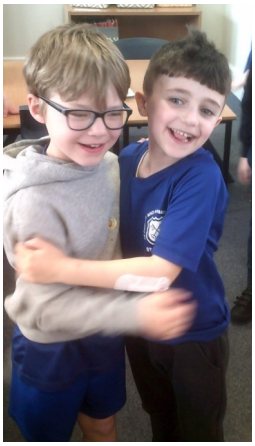

We have been learning about different ways of Greeting each other in Character Education.

I love hugs!

You can shake someone's hand to say hello.

I used my wax crayon to make a rubbing on the tyre.

The back-ground on the climbing wall made a hexagon pattern.

The tree stump created a good texture

In Art, we explored textures in our school environment and used them to create rubbings.

Year 3

We have developed our cricket skills in PE.

'I like making 3D shapes with clixi'

In maths, we have looked at shape

There are so many different kinds of rocks! I like the igneous rocks best.

Learning about fixed and loose pivots in D&T is fun!

Year 5

We enjoyed taking part in celebrating the coronation by making flags

It is very exciting to know there is a king

It's sad that the Queen has passed, but it's a once in a lifetime opportunity to see the King coronated.

Information about the this term's Personal, Social, Health Education, which includes Relationships and Changing Me

At St.Peter's we use Jigsaw, the mindful approach to PSHE, as our scheme of work to teach PSHE (Personal, Social, Health Education). The programme consists of 6 half-term units, each with 6 lessons. We call these Jigsaw 'Puzzles'. (Being Me in My World, Celebrating Difference, Dreams and Goals, Healthy Me, Relationships and Changing Me). In the first half of the Summer Term we will be teaching the Relationships Topic. Relationships Education is statutory (DfE Guidance 2019) and parents cannot withdraw their children from it. We develop positive relationships throughout the school year and through each Jigsaw Puzzle, but there is a more specific focus on this in this Unit of Work, with children learning about different relationships we have with our friends, family and communities (including staying safe online), and how these relationships change as we grow. In the second half of the Summer Term we will be teaching the 'Changing Me' Puzzle. This helps children learn to cope positively with all sorts of change. In Key Stage 2 they will learn about puberty in this Puzzle. In Key Stage 1 we introduce scientific terminology for body parts, including genitalia, partly for safeguarding reasons and partly to lay the foundations for learning about puberty later. The purpose of this is to inform you of the statutory requirements placed on schools, and what we plan to teach when for this topic in PSHE this term. The government statutory guidance gives parents the right to request to withdraw their child from Sex Education, and this letter explains more about what Sex Education is and how you can find out more about this if you wish to. We also want to share with you how we are adapting the scheme to suit the needs of our school community.

Please go to the RSE section of the school website (under key info) where you will find all of the information about RSE at St. Peter's School. If you have any questions, please direct them to Mrs Stewart (PSHE Lead)

All children in Reception, Year 1 and Year 2 of school receive free school meals, known as Universal Free School Meals. Some children can continue to get Free School Meals from Year 3 right up until they are 18 if they are in full time education and their parents / carers receive a qualifying benefit.

Please visit https://www.shropshire.gov.uk/free-school-meals/apply-for-free-school-meals to check to see if your child is eligible and how to apply.

Children on benefits-related free school meals will also get support with food costs through-out the Christmas and half-term holidays.
