Happy Friday!

As we move towards the end of term, we know families will be pre-paring for the new term. Please remember to look at our School Uniform page on our website before purchasing.

stpetersschoolwem.org.uk—Joining—Uniform.

We will also be holding a second-hand uniform stall at our Summer Fete on Wednesday (items £1 each).

As we are approaching Sports week, please remember—Branded sports clothing is not school uniform.

Please do come and join us at the Summer Fete on Wednesday 28th June 2023 3.30pm-5pm. This is one of our main fundraisers and our small Friends Committee have worked extremely hard to arrange it. If you can spare any time, they are still looking for volunteers to help on stalls on the night—contact the school office or email friends.stpetersschool@gmail.com if you can spare any time.

Miss Kynaston and all at St Peter's

Nursery

We have been looking at shapes and creating patterns. Lara's dishes are brilliant! Albie counted the dice pattern carefully and knew that there were 3 spots.

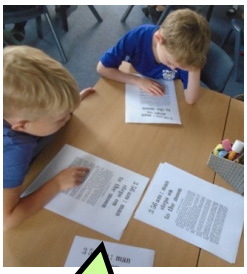

We have been solving mathematical problems this week. The ladybird needs 5 spots

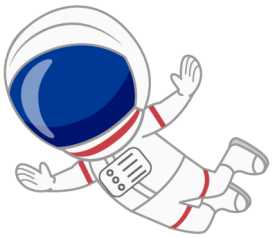

Year 1

In History, we are exploring significant people and this week we have been researching Neil Armstong.

I watched a video about Neil Armstrong walking on the moon.

We used different sources to find out key facts.

We used books to find out when he was born and where he lived.

I didn't like the blackberries, they tasted funny.

We have been tasting different fruits and smoothies to prepare for designing and making our own fruit salad or smoothie.

Year 3

Congratulations Year 3, you passed your Stepping Out training with Road Safety Ray

Stepping Out has made me feel very independent. I liked it

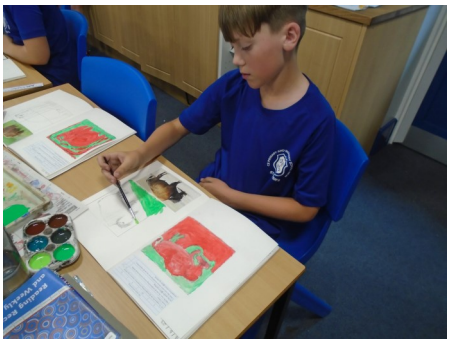

In Science, we have investigated friction.

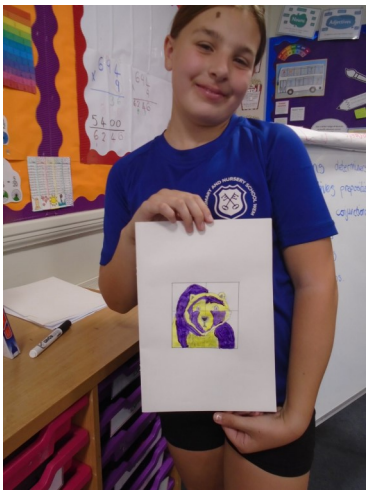

I used Scratch to explore motion. It was fun

Year 5

We have been learning about complimentary and spectrum colours. We drew animals and split them into sections, and then painted with complimentary and spectrum colours

Week Commencing 3rd July is Sports Week.

The theme is the Women's Football World cup. During the week the children will have the opportunity to participate in a range of sporting activities, receive coaching from external coaches, learn about Australasia and the event. Years 1-6 will participate in a Sport's day and everyone will take part in a sponsored run.
The aim of the week is to encourage physical activity and well- being ;make links with community sports clubs; find out new facts and information and have fun learning new skills and experiences.
Please ask your children what they have been doing!
The sponsored walk/run will be on Monday 10th July.
Children should come ready in their school PE kit each day.(Except Thursday*) Please ensure this is following the school dress code- if it is cold children should wear either their grey school sports hoodie or their normal school sweatshirt. Different coloured tops and bottoms are not appropriate.
*Thursday is "Sportswear Day"- children can come in fancy "Sportswear. " This may be riders, surfers, cricketers, dancers, bikers, martial artists, cyclists , tennis players etc. We are looking forward to seeing your creations.
The week has taken many hours of planning, so we hope that the weather is kind and all the children have a fantastic experience.

Newsletter Introduction - MHST

Hello everyone! My name is Megan and I am the Education Mental Health Practitioner (EMHP) for your school. I work for the NHS as part of a Mental Health Support Team supporting schools in North East Shropshire. As an EMHP, I work with children who are struggling with feeling anxious, worried, low, stressed, or having trouble sleeping.

We all know how important our mental health is but sometimes we're not sure how to support someone who is struggling with theirs. I will be supporting the children in school to help them recognise their emotions and giving them some tools that they can use to help them manage their thoughts, emotions, and behaviours.

I will also be running workshops for parents on common mental health problems that you may be seeing in your own children. I hope to give you some tools that you can use with your own children that may support them. These will be online through MS Teams and details of how to sign up will follow. You don't have to come to all three, just join the ones that you can!

Mental Health Workshops
