What do Christians learn from the creation story?

creation
Causing something to exist.

Creator
The maker; God.

human
A person.

The Fall
The breakdown of the relationship between God and his people.

worship
Show love and praise to God.

God the Creator cares for the creation, including human beings.

Human beings do best when they listen to God.

God offers forgiveness even when his people keep falling short.

The Bible tells a story (in Genesis 3) about how humans spoiled their friendship with God (the fall).

Outcomes

- Place the concepts of God and Creation on a timeline of the Bible's 'Big Story'.
- Make clear links between Genesis 1 and what Christians believe about God and creation.
- Describe what Christians do because they believe God is the Creator (follow God, wonder at how amazing the creation is; care for the earth)
- Ask questions about what might be important in the creation story for Christians and non-Christians today .

The Bible shows that God wants to help people to be close to him -he keeps his relationship with them.

Christians want to be close to God too.

Humans cannot get close to God without God's help.

Christians show they want to be close to God through obedience, worship and saying sorry.
