Dear Parents,

During the **week of 13th May**, your child will be taking their **Year 6 SATS tests**. All children in year 6 have been working extremely hard this year, and I am sure that they will continue to do so during the test week. We are very proud of their efforts so far!

In order for your child to be prepared for each test, we are offering the opportunity for the children in **year 6 to come into school at 8.20, where we will provide a breakfast** consisting of porridge/ yoghurt, berries, and toast. The children will be able to choose what they would like to eat before being registered at the usual time.

It is natural for children to feel nervous, however we have been looking at sample papers in order for the children to get a good understanding of what will be expected during this week.
