INTRODUCTION

Enrichment will be every Friday for an hour, during the school day, starting in Autumn 2. This will be for all Reception – Year 6 children. Staff across school have chosen an activity that they enjoy, have skills in or are passionate about and want you to come and join them. The activities on offer for Autumn 2 are listed in this booklet and each one has a little more information to help you choose what's right for you. There will be the opportunity to take part in a different session each half term so please do not worry if you do not get your first choice this time around. Please choose your top 3 activities for this half term, via the Microsoft Link, and you will be allocated to one of your activities . Choices need to be made by Wednesday 5th November. For anyone who has not made their choices by this date, you will be allocated to an available group. Any questions, please ask your child's class teacher.
